# ABOUT US

---

## WHO WE ARE?

At Cold Vikin, we are dedicated to delivering a premium cold plunge experience designed for those who seek the benefits of cold therapy in the most efficient and comfortable way. Our advanced technology ensures a hygienic, energy-efficient, and cost-effective solution, eliminating the need for constant ice replenishment.

With 15+ years of experience in pool design & construction, we offer custom-built cold plunge pools as well. Our cold plunges are crafted with durability, performance, and aesthetics in mind, making them the perfect addition to any home, gym, wellness center, or personal recovery space.

We offer a variety of cold plunges and chiller systems tailored for commercial and residential use:

- Chillers
- Tubs
- Custom Pools
